RACK'N'ROLL CUTTER

The VIDIR Rack'N'Roll Cutter allows a single individual to unroll, inspect, measure, cut, re-roll and wrap carpet and vinyl products. The control panel has a simple to operate directional switch and control buttons plus a security keypad to prevent unauthorized use. The standard mechanical counter reads in feet/inches. A Trumeasure system is available as an option. The cutter's built-in 'inching wheel' allows for precise aligning.
