

SPORTS MERCHANDISE VENDING MACHINE

Maximize Sales.

Maximize Space.

Master Game Day.

An automated vertical lift module designed to store and dispense merchandise for athletic programs. Make sales faster, smarter, and with less space.

WHAT YOU GAIN:

- 🏈 Serve fans quickly with self-serve merch pickup
- 🏈 Operate in as little as 22 sq. ft.
- 🏈 Improve inventory control and loss prevention
- 🏈 Faster post-purchase retrieval
- 🏈 Reduce labor costs

TAILORED FOR YOUR PROGRAM

Custom sizing and configurations available to fit your program's unique merchandise needs. No need to redesign your merchandising strategy, we customize for you.
